

# Meal Participation April Seamless Feeding

We served meals for 19 days in April.

The first 5 days we served 9,049 lunches and snacks.

We switched the meals from lunches and snacks to breakfasts and lunches after spring break.

We served a total of 25,681 breakfasts and lunches in the last 14 days of April.

That is 9,049 snacks; 25,681 breakfasts; and 34,730 lunches for a grand total of 69, 460 meals served to the children of Gilmer County.
