Attendance Required in Assigned Zones

All children residing in Gilmer County are required to enroll in the school of the attendance zones in which they reside unless special authorization is given by the Board. Attendance zones are designated by the Board of Education. Transportation is not provided for a child attending school out of the attendance area.

Change of Residence

In the event that a pupil changes residence from one attendance zones to another, the pupil will be allowed to continue attendance in the school of the zone from which he/she moved for the remainder of the school year provided transportation is available.

Student Assignment of Employees Children

State Law 20-2-293(b) states *"a student shall be allowed to attend and be enrolled in the school in which a parent or guardian of such student is a full-time teacher, professional or other employee, notwithstanding the fact that such school is not located in the local unit of administration in which such student resides."*

Students of employees may attend the attendance school zone of their parent/guardian's convenience* provided the child's admission does not exceed the maximum class size for the school. The parent must apply to the principal of the "out of zone school" each year for review and potential admission. Applications will be taken during May of each year. The parent must provide the transportation for a student attending an "out of zone school."

* Parent/Guardian's (Employee) "Convenience" is defined as follows:

1. The schools where the parent/guardian works if the student is at that grade level.
 2. The school located on the nearest route between the residence of the parent/guardian and the workplace of the parent/guardian if the student is not enrolled in the grade level of the parent/guardian's workplace.
 3. Serious extenuating circumstance(s) as approved by the Board of Education.
 4. An employee parent/guardian's convenience is not defined as "preference." Placement at schools for athletic or extracurricular purposes does not qualify as a serious extenuating circumstance.
