

Meals, foods and beverages sold or served at schools meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods and beverages are prepared and served by qualified child nutrition professionals. We provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students.

USDA regulations prohibit the sale of foods of minimal nutritional value during meal times in the cafeteria at all school levels. Students or their parents are not allowed to bring in foods from outside restaurants until after the last lunch period is over. Lunch sent in lunch boxes or plain bags with students in the morning are allowed. All students are encouraged to eat a nutritious meal provided by the school cafeteria and milk is provided to drink with their meals.
