

Gilmer County School District (GCSD)
Mobile Computing Device Parent and Student Agreement

We are excited to be able to provide your student with a mobile computing device while they are enrolled at a Gilmer County School. Please note the following conditions of the program:

- Parents and students must sign the mobile computing device agreement.
- In the event of loss or damage to the device, a fee must be paid in accordance with the established Fee Schedule as set forth in GCSS Administrative Guidelines Regarding Technology Use.
- Parents or adult students will file a police report in cases of loss, theft or vandalism that occur away from the school campus. The police report must be turned in to the principal within 48 hours.
- Negligent loss or theft results in paying full replacement cost of the device.
- Mobile computing devices that are not returned to the principal when a student leaves, transfers, or withdraws from school will be considered stolen.
- The Principal has the discretion to permanently confiscate the mobile computing device from the student at any time.
- Parents will monitor student's mobile computing device activity at home.
- Mobile computing devices must be transported to school each day fully charged with the protective shell on, when applicable.
- Students must secure the mobile computing device when not on their person.
- The mobile computing device is the property of the GCSD.
- The same mobile computing device will be issued to each student each year. The power cord will remain with the student for the duration of his/her time enrolled in GCSD.

Students will:

- Use the device appropriately.
- Care for the device assigned to them and not leave it unsupervised in unsecured locations.
- Be responsible for all damage or loss caused by neglect or abuse.
- Not loan the device to another individual.
- Charge the device battery before each school day.
- Not use the device near food or drinks.
- Not disassemble any part of the device or attempt any repairs.
- Carry the device in the carrying case with the protective shell on, if applicable.
- Not place stickers, drawings, markings, etc., on the device or case and will not deface the serial number sticker on the device.
- Understand that the device and its contents may be inspected at any time because it is GCSD property.
- Agree to return the device, power cord and all accessories in working condition.
- Follow the policies, procedures, and guidelines outlined in this document and the GCSS Administrative Guidelines Regarding Technology Use

By signing the Student-Parent Handbook, parents are agreeing to follow all listed guidelines and the GCSS Administrative Guidelines Regarding Technology Use. Documentation can be found at - https://www.gilmerschools.com/district/technology/chromebook_1-to-1
